

STONE SECURITY PRIVACY POLICY

This privacy policy will explain how our organization uses the personal data we collect from you when you use our website.

What data do we collect?

Stone Security collects the following data:

- Personal identification information (Name, email address, phone number, etc.)

How do we collect your data?

You directly provide Stone Security with most of the data we collect. We collect data and process data when you:

- Register online or place an order for any of our products or services.
- Voluntarily complete a customer survey or provide feedback on any of our messageboards or via email.
- Use or view our website via your browser's cookies.
- Attend a conference hosted by Stone Security or in which Stone Security exhibits
- Information added in Promys (Our CRM) by a Stone Security team member

How will we use your data?

Stone Security collects your data so that we can:

- Process your order, manage your account.
- Email you with special offers on other products and services we think you might like.

When Stone Security processes your order, it may send your data to, and also use the resulting information from, credit reference agencies to prevent fraudulent purchases.

How do we store your data?

Stone Security securely stores your data in our CRM (Promys) and Intuit (Quickbooks).

Marketing

Stone Security would like to send you information about products and services of ours that we think you might like, as well as those of our partner companies.

If you have agreed to receive marketing, you may always opt out later. You have the right at any time to stop Stone Security from contacting you for marketing purposes.

What is your data protection rights?

Stone Security would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access - You have the right to request Stone Security for copies of your personal data. We may charge you a small fee for this service.

The right to rectification - You have the right to request that Stone Security correct any information you believe is inaccurate. You also have the right to request Stone Security to complete information you believe is incomplete.

The right to erasure - You have the right to request that Stone Security erase your personal data, under certain conditions.

The right to restrict processing - You have the right to request that Stone Security restrict the processing of your personal data, under certain conditions.

The right to object to processing - You have the right to object to Stone Security's processing of your personal data, under certain conditions.

The right to data portability - You have the right to request that Stone Security transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our email:
